A light and steamy, FBI, romantic suspense story. Padme has just graduated from Quantico, and is about to get her first assignment. At her best girl friends restaurant opening she meets an intriguing man who she has an instant attraction, and ends up spending the weekend with. Padme is stunned to find that the man she and her partner Dale, are assigned to protect is the man she fell in love with over the weekend. Enver is a young Italian billionaire who's friend and business partner was murdered by a notorious crime lord. He is shocked to find the woman he fell in love with over the

weekend and had to walk away from is now in charge of his safety. Loved Enver and Padme's story. As a bonus there is a nice extended epilogue and a bonus short story for Dale, Padme's former FBI partner and best friend, like a brother. Nice that he got a happy ever after as well. I really liked him. The only con was the abrupt scene changes which I found distracting. The author also included a few other stories as a bonus. I will be reading those soon. I received an ARC copy of His Sweet Torment in exchange for an honest review. I liked the story and will read again, so I purchased a copy in support of the author.

In true Michelle Love fashion, His Sweet Torment is a roller coaster ride of suspense and sexy! Her writing style never fails to capture my attention and this one grabbed me from the first page till the last. I never know what turns her stories might take, but it's always a thrilling ride with exotic locales, well developed characters, steamy chemistry, drama, tension and good winning over evil. This is an exciting, riveting read that you won't be able to put down! I voluntarily reviewed a copy of this book.

This is a dark dangerous story with more twists and turns than a rollercoaster. When Padme spent her last weekend before starting her first assignment for the fbi . She meets a handsome man who oozes sex . She never was a one night stand type of woman but something about this man draws her in . They both give false names but end up spending the weekend.with him . When Padme tells him her real name he tells her he would put her in danger telling her his real name. She didn't want to leave him an he didn't want to let her go but both had responsibilities. When Padme finds out that she and her friend and partner are assigned to protect Enver so he can testify against a very dangerous man that killed Envers friend and business partner and his pregnant wife. She swears he will nail him with his testimony. When Padme quits before she can be fired she's leaving when she sees a gun pointed at Enver an she jumps in front of him and is shot three times, As she turns to check Enver she sees so much blood an she trying to find wounds but it's her that has been shot. They drag Enver into a protective sweep and she doesn't see him or hear from him just alot of money in her bank account. What will happen to Padme when the evil man Encer hurt his criminal business when he testified. So Fredrick Ingles plans to find Enver and make him watch him tortures Padme then he will kill Enver. Will Enver and Padme find away back to each other? Will they live long enough to put Fredrick and those that are helping him away? Will they find happiness together? There is so much action, hot sex scenes, danger,suspense all in one book . It will keep you on the edge of your seat from page 1 til the every last page and have you begging for more. I can hardly wait to see what's next by this amazingly talented author! I voluntarily decided to review this advanced reader copy because it's an action packed suspense filled romance that shows if the love is real you will risk everything to be together. This story would make a great movie.
