## Customer Reviews

"In terms of comprehensiveness of coverage, the very accessible format, and the enthusiastic tone, this series remains one of the best on the market." — "Booklist" — "Fodor's super-informative guidebooks are known for accuracy and attention to detail" — "The Sacramento Bee" — "The Fodor's guides are notable for their ratings of sights, restaurants, shops, accommodations and attractions." — "Chicago Tribune" — "The great detail, infectious spirit, and attractive format are distinguishing traits of these guides, which are entries in one of the top series in the business." — "Booklist" — "Fodor's can help you plan the perfect adventure" — "The Arizona Republic" — "Always

thoughtfully written and easily readable, Fodor's travel guides have become a must-have when traveling to unfamiliar destinations" â "Mid South Magazine Â "Widely recognized as the gold standard of mainstream travel" â "Honolulu Advertiser

Sadly, there are few books on traveling to Aruba. In most cases, this beautiful island is included as part of larger guides. Thus one is left purchasing a bulkier travel guide with extra information and a greater cost. I purchased this book for a trip to Aruba this past January. Normally, my husband and I purchase DK Eyewitness Travel Guides, and we were terribly disappointed to find there was no DK Aruba guide. After reviewing what little was available online, we decided to purchase the Fodor's guide. We found it surprisingly good and detailed. The island is fairly simply to traverse by car, and most of the time the directions and locations were fairly accurate. The restaurant guide also came in handy. It is a compact guide thus it is easy to out in a carry on as well as take with you on explorations of the island. I only gave it four stars because the guide could have used more maps and pictures, as the DK guides provide. However, for bring one of the fewest guides solely on Aruba, it is the best one.

Great book. Very informative.

good book exceeded expectations was in perfect condition for being a used book which I doubt was used. They are always in good condition

Used this book everyday in Aruba, it was very helpful and was spot on. We used it to see the sights, snorkel and for dining suggestions. I would buy any of these guides if I was traveling to any new destination.

Went on vacation to Aruba. Had to book to review and was a nice asset to the internet review we had completed. It was also portable while there unlike the internet at times. Like Fodor's works - would recommend.

I bought this as a stocking stuffer for my wife as we are going to Aruba in a couple of months. Its a nice, concise overview of the island and it gave us alot of great ideas on what we will want to do. It has alot of pictures to give you the concept of some areas and the advice seems fairly balanced. The size will make it easy to bring this along with us.
