Synopsis

Fans of Amanda Hocking’s novel, Wake, will dive into this paranormal romance featuring mermaids—the killer kind—and won’t come up for air! It’s been thirty days, two hours, and seventeen minutes since Calder left Lily standing on the shores of Lake Superior. Not that she’s counting. And when Calder does return, it’s not quite the reunion Lily hoped for. Especially after she lets her father in on a huge secret: he, like Calder, is a merman. Obsessed with his new identity, Lily’s dad monopolizes Calder’s time as the two of them spend every day in the water, leaving Lily behind. Then dead bodies start washing ashore. Calder blames his mermaid sisters, but Lily fears her father has embraced the merman’s natural need to kill. As the body count grows, everyone is pointing fingers. Lily doesn’t know what to believe “only that whoever’s responsible is sure to strike again. . . .” “Deep Betrayal is as suspenseful as it is sexy. You’ll want to catch this one!”—MaryJanice Davidson, New York Times bestselling author of the Undead series “Heartbreaking. Nerve-racking. Absolutely irresistible.”—Kristen Simmons, author of the Article 5 series

Customer Reviews

Since the first book was from Calder’s perspective, I was excited to read the next part of the story from Lilly’s perspective and honestly, I loved it! Lilly’s voice is different then Calder’s she doesn’t want to be seen as helpless but wants to help Calder and her dad get accustomed to her dad’s new life as a merman, all the while hoping that she too will sprout a tail like her dad. It’s a great continuation for the Lies Beneath series.

Awesome!

If you loved the first one, you are going to be thrilled with this one!!! I sat in Fred Meyer and read this book for over an hour. Finally mine arrived and I gobbled it up in just three days. It was in beautiful condition. I can’t wait for the third one!!!!

My daughter loved it

This book is a quick read & I’m a slow reader. My 4 stars are rating the book. ’s service was great!

I am very excited for the next one to come out. When I finished the book and realized I’m going to have to wait till next year I was very upset. Can’t wait to see how this story ends.

I really loved this book! It may not be by a well know writer but I’m confident that she will be if she keeps writing these mermaid love stories.

The mermaid story continues from Lilly’s point of view with all new struggles, including a serial killer. Fun, but the end really leaves you wondering about book three.
