# Top 10 London (EYEWITNESS TOP 10 TRAVEL GUIDES)

## Synopsis

True to its name, DK Eyewitness Travel Guide: Top 10 London covers all the city's major sights and attractions in easy-to-use "top 10" lists that help you plan the vacation that's right for you. This newly updated pocket travel guide for London will lead you straight to the best attractions the city has to offer, whether you want to see Big Ben from the top of the London Eye, visit the National Gallery, take a stroll through one of the many beautiful parks, or have an authentic pub experience. Discover DK Eyewitness Travel Guide: Top 10 London. + Itineraries help you plan your trip. + Top 10 lists feature off-the-beaten-track ideas, along with standbys like the top attractions, shopping, dining options, and more. + Maps of walking routes show you the best ways to maximize your time. DK's famous full-color photography and museum floor plans, along with just the right amount of coverage of the city's history and culture, provide inspiration as you explore.

## Customer Reviews

I read and marked this book for months before our trip. Then I carried it around London for the few days we were there. The map was incredibly accurate and the underground map was very helpful also. Great tips, thorough reviews of places, helpful info on costs for admission and food. I found

this book indispensable!

I liked this book.....handy little size. Some good info..BUT why on earth don't they include the bus/underground/ and overground transportation lines that are near these sites??? That would be SOOOOOOO helpful. It is really a missing piece that we NEEDED!

These eyewitness books are my favorite travel guide. They provide a nice quick reference for the given destination and includes excellent maps and helpful hints. I have used them for trips to Russia, Paris, Amsterdam and Belgium. I may read more detailed guides like Rick Steves or Fodor but these are the guides I pack.

This is simply the best London guidebook I have found! I continue to buy these for friends and family. The pullout map alone is worth the price. The book and map are small enough to pack easily and will fit in a purse or large coat pocket. The map has a laminate coating that remains durable through many foldings and is raindrop resistant. Good value and great information.

This publisher produces one of the best travel guides with lots of pictures and details of sights to see, as well as very usable maps. There are also numerous travel tips that prove useful to travelers. It's a nice balance of text and pictures and also not so bulky or heavy that you can't carry it with you for traveling.

My colleague and I were able to spend an extra couple days in London during a business trip, and we ordered this at the VERY last minute. Thanks to for getting it to us shortly before our flight left... and thanks to Eyewitness for helping make our trip EASY! The book includes Top 10 lists for each area of London, as well as things like "Top 10 Kid-friendly Activities", "Top 10 Free Activities," etc. We referred to this guide constantly! And, as always, Eyewitness has beautiful pictures and a very concise design. This is my second Eyewitness Top 10 Guide (have Venice as well) and I'll definitely keep looking for them when I travel!

Love, love, love this series of Top 10, especially because I usually have just a few days in these European capitals, and these guides in particular help to get as much as possible out of the trip. The maps are great and sturdy and the whole book is light enough to carry in a pocket.

I own several versions of the "Top 10" series of books. I live by them when visiting a new major city. They contain a full metro map along with a great city map. This is extremely useful in a portable size. I would recommend this book to anyone traveling to somewhere new.
