Books > Science, Nature & How It Works > Heavy Machinery

Age Range: 12 - 17 years

Grade Level: 7 - 12

Customer Reviews

I realize that the military world is filled with acronyms, but the book had so many I had to keep looking back to see what each one meant. Otherwise, my ESE boys who are all about all things military enjoyed it and even did their own research beyond the pages (a real winner to me) without me asking!
