Photoshop CC Essentials For Photographers: Chelsea & Tony Northrup's Video Book

Synopsis

This video book will quickly teach you what every photographer needs to know about Photoshop CC, including: * Removing blemishes and distractions * Creating amazing, natural-looking portraits * Changing the color of clothing and hair * Changing the shape of bodies and objects * Using layers, adjustment layers, and masks * Replacing skies and backgrounds * Straightening lines and buildings * Compositing multiple images together * Changing facial expressions and poses * Creating complex selections and masks * Creating panoramas * Creating actions to automate tasks * Choosing the best image formats * Customizing and configuring Photoshop CC Tony & Chelsea go beyond teaching you how to use Photoshop; they teach you why and when to use each feature to create stunning, natural images. When Photoshop isn t the best tool, they suggest other alternatives. Combining the benefits of video training and book learning, this video book gives you over 10 hours of video and dozens of images to practice with. If you learn better with video, watch the video training and refer to the book for quick reference. For best results, walk through each procedure in the book using the provided sample images. Then, watch the videos to learn more advanced and artistic techniques. If you still have questions, or want peer review, join our Photoshop group on Facebook and get feedback from other Photoshop users. Tony and Chelsea cover every aspect of Photoshop in-depth, but structure their teaching so that both beginner and advanced photographers can learn as efficiently as possible. If you just want a quick start, you can watch the first video or read the first chapter and you'll know the basics of photo editing in less than an hour. If you want to know more about a specific feature, switch to that video or jump to that chapter in the book. If you want to know everything about Photoshop, watch the videos and read the book from start to finish.

Book Information

Paperback: 300 pages

Award-winning author and photographer Tony Northrup has published more than 30 how-to books and sold more than a million copies around the world. His photos have been featured on magazine covers, book covers, CD covers, TV shows, calendars, and much more. Tony studied photography at the New England School of Photography and the Massachusetts College of Art and Design. He runs a stock and portrait photography business with his family, Chelsea and Madelyn, out of his home studio in Waterford, CT. He shoots travel and nature photography everywhere he goes.

I might just be stupid but Im having a hard time following the instructions. I own their Stunning Digital

Photography book, and I find that the details are a lot less clear in this book than in their other one. Im really struggling just on page one.

Love Tony's books. I have learned so much from his group and his books, very informative and would recommend them to anyone that is starting off in photography

I like this book I haven''t read through it yet, but I am happy with what I have read so far. A lot further to go

Love the author, he is so easy to follow. Great information and beautiful.

As always Tony Northrup and his team come thru with a great training ebook.

I have all there books ,there really great !!!!

There's so much great info here and it's easy to comprehend. Totally recommend it!

Well written, knowledgeable, right on topic.
