"A publishing sensation" Daily Express 'Esther and Jerry Hicks, with the help of commendations from Oprah Winfrey, have sold almost 1.5 million copies of their last three books.' The Independent

Jerry and Esther Hicks produce and present the leading-edge Abraham-Hicks teachings on the art of allowing our natural Well-Being to come forth. While presenting open workshops in up to 60 cities a year, they've created more than 600 books, audios, CDs, and videos.

Perfect audio. Love listening to her voice and learning more about me.

I have just listened to the final CD in this set. And they answered ALL my questions. I found it very helpful. But I know I will continue to want and need support. So I'm wondering what to order next as I already have the law of attraction and Sarah books 1 and 2 and now finding the Path to joy through engergy balance, part 2. I'm so pleased with Esther, Jerry and "Abraham" because they have said everything I needed to hear. The answers to the questions they were asked were amazing. Now It seems obvious that they're right and I think at some level I have always known these things but I

wanted someone to give me permission to accept these "truths" and they have done it. You know it's a releif to finally hear these things.

I have purchased and listened to all the Abraham-Hicks material available and next to the actual "Laws Of Attraction" CD, this CD has to be the most insightful in furthering the distinctions of the actual Laws of Attraction. It has been very useful to me as a coach of the material and has helped my clients immensely. I would recommend it to any student of the Laws of Attraction to help give them a better understanding of how the laws work.

This is a must if you want to attract a happy life

Abraham-Hicks is awesome! If you have never heard them, get them!

Understanding source energy = happiness. I am thankful every day for the books and recordings of Abraham that have manifested into my life. It helps me regain balance on rough days and helps me to appreciate and understand that I am the creator of my manifestations. Great to listen to while driving to work...sets a great tone for the day. :)

This a good continuing series of workshop excerpts on various challenging life situations. Read by Jerry, this adds a little more color and warmth to the material.
