Snug Bug (Penguin Young Readers, Level 2)

Synopsis

A young bug takes a buggy bath, collects his teddy bug, gets a buggy hug from Mama Bug, and snuggles into his tissue-box bed. But he is soon startled by the appearance of a big moving creature! What could it be?

Age Range: 6 - 7 years

Grade Level: 1 - 2

Customer Reviews

Preschool[^]-Gr. 1. In this bedtime easy-to-read, a little bug--bath taken, teeth brushed, story read--settles down for the night, tucked into a tissue-box bed alongside the bed of a great big boy. The goggle-eyed bug is more odd looking than sweet, and, occasionally, the text doesn't scan, but the bedtime routines will be comfortably familiar to little ones, and the story, presented in extralarge type, features enough repetition in spelling and pronunciation to promote beginning reading success. Stephanie Zvirin --This text refers to an out of print or unavailable edition of this title.

Cathy East Dubowski has written several books for Penguin Young Readers, including *Pirate School* and *Anna Sewell's Black Beauty*.

My daughter loves the illustrations and the story. She asks for it over and over again. I want to buy the hard copy.

Since my 20 year old copy was getting worn out, I bought my children their own! The story is cute and great for early literacy as they can guess what the next rhyme will be. It's a great short bedtime book that kids can start to learn to read.

My son and I read this when he was little and we adored it! Finally just decided to buy a copy instead of getting it from the library over and over. The text is about what you'd expect from an early reader, but the illustrations leave so much room for discussion and imagining together.

This was my fave book as a child and I absolutely love reading it to my snug bug before bed

My daughter's favorite book when she started to read. She read Snug Bug to me countless times. Good memories. I had to buy one for my house and one for her two little boys.

Cute book. Had to buy two because my 5 and 2 1/2 year old were fighting over this book. Perfect bed time story for my 2 1/2 yr old and great level 1 reading book for my kindergartner.

All time favorite child book!

I have three kids that span 10 years and our old copy was so worn out, it was time for another. Everyone in the house can recite this book by heart!
