B-More Careful: A Novel

Synopsis

B-More Careful takes sex, lies, and betrayal to the next level in this action-packed, fast-paced, suspense-filled novel. Growing up on the cold, mean, inner-city streets of Baltimore is Netta, leader of an all-girl clique called the Pussy Pound. With no father and a dope fiend for a mother, Netta learns at an early age how to use her beauty and her body to get the things she wants: money, cars, and jewelry. Chasing the almighty dollar, she meets Black, a local drug dealer with a deep-seated hatred for New Yorkers who falls head over heels in love with her. With a broken heart, Black discovers that Netta is only after his money and seeks the ultimate revenge against her life.

Customer Reviews

B-More Careful was a raw and gritty account of what takes place in the life of the streets. The premise of the story was based on betrayal, deception and treachery. I would have rated this book five stars had it not been for the excessive typos and grammatical errors I came across.

Nevertheless, Shannon Holmes is an exceptional and talented writer. B-More Careful was fast paced. I was able to visualize and feel everything as if I was there. I admit, I had a difficult time getting through this story. The characters and content felt so real to me. In reading this story, which took place in Baltimore, I came to understand the realities of the streets. The game is certainly not a lifestyle I would want to be a part of, because of all the danger, backstabbing, jealousy, envy, betrayal, greed and revenge which is paramount. B-More Careful emphasized the life of drugs, money, sex and murder. There is nothing glamorous or attractive about it based on what I read. This

story made me sad. Shannon Holmes did not sugar coat anything. He gave it to you straight and to the point. The characters who stood out for me were Black, Netta and Mimi. Black and Netta being the most ruthless of them all. Unfortunately, there was no happy Hollywood ending either. All in all, B-More Careful taught me a great deal and opened my eyes to the harsh realities of a world I knew very little about.

Great book, great story..., with a lot of grammatical errors. Errors in this book so off the chain. But, definitely recommend. You won't be disappointed!

This is my first time reading this story in years. Tone & Netta deserved a happier ending but then that would mean the story would be over. Black got less than he deserved & that damn Mimi is just needy. I love the story but there were a lot of mistakes in the book.

I am an avid reader of urban fiction and non-fiction African American literature. This book offers an exciting mixture of the two. For instance, the gritty truth of hard-core living in poverty-stricken urban cities mixes with the exciting story of sex, greed, betrayal and lies, friendships, and family. His plot is dynamic and his characters are ego-driven. I read this book twice (both in a matter of days). Shannon Holmes is an excellent writer as he keeps reader's interest throughout every page. I would definitely recommend this book to anyone seeking a release from the ordinary looking for an exciting world to imagine oneself in.

I've read this multiple times over the years and it hits all the highs and lows of the game. Great read.

I've read this book a couple of times and probably continue! The only thing I don't like is the typos. There were A LOT of them! Luckily I could piece it together well enough to get through it lol Beyond that... This book is freakin AWESOME!!

Read twice!!! Well written!... Especially if you can relate to the life style... Thank the Lord for changing my life!!!
