Decorating Cookies Party: 10 Celebratory Themes * 50 Designs

Synopsis

Nothing's sweeter at a party than cookies—and nothing's more fun than decorating them together! Get baking with nearly 50 cookie designs to create either before or during the festivities, as a fun group activity. Five classic cookie recipes—one gluten-free—produce the perfect canvas for royal icing, and Bridget Edwards expertly walks you through all the techniques, from rolling the dough to piping. Ten themed party ideas for adults and kids include a Monster Mash-Up, a Tailgate Party (complete with helmet, megaphone, football, ref jersey, and a foam #1 finger), Under the Sea Birthday, Wedding, and Baby Shower.

Customer Reviews

As I was browsing the pages of Bridget's new book, I found myself oohing, ah-hing, and pretty much gasping with delight at every single page. She has so perfectly captured the fun and deliciousness of decorated cookies, and has laid out the instructions and tips so clearly, you'll be inspired to start baking immediately. I am madly in love with the creations in this book, and all the ideas that could spring from them. I can now think of nothing but planning a cookie decorating party!

—Ree Drummond, #1 New York Times Bestselling author of *The Pioneer Woman Cooks*

—Bridget is as sweet as her sugar cookies. In her new book, she shows you how to throw the cutest cookie decorating parties with fun cookie collections perfect for your next sweet celebration.

—Angie Dudley (Bakerella), author of *Cake Pops*

Bridget Edwards is a highly visible baking expert who blogs at bake350.blogspot.com named

one of the top five baking blogs by Better Homes and Gardens in 2014" and tweets at @bakeat350tweets. She was one of 15 food bloggers selected to participate in a bake-off fundraiser with TLC's Cake Boss and Kelly Ripa, has participated in themed blog challenges, and develops recipes for brands such as Imperial Sugar and Land O' Lakes. Bridget's recipes have appeared on DailyBuzz Food and her cookies have been featured on marthastewart.com, the hugely popular Pioneer Woman blog, the Today show blog, bonappetit.com, Cake Spy, and in Woman's World magazine. Bridget lives near Houston, TX with her husband, son, and two kitties. .

Bridget Edwards did it again with her second book. Received my book which is filled with the basics and information on how to actually host a cookie decorating party. Step by step instructions (thank you Bridget) and loaded with ideas and great photos!

I love this book! I am new to decorating cookies and am having a blast learning from Bridget. This makes two of her books I own. I particularly like the cookie recipes she gives. I have used other recipes; they always failed. I thought it was me until I tried her recipe for vanilla cookies. It turned me from flop to success. She gives clear directions on how to decorate the cookies, step by step, which is just what I need. I have no artistic talent, but my cookies look, and taste great! Thanks, Bridget! And thanks to Ree Drummond for introducing her first book to me on her website.

I finally have both Decorating Party Cookies... And Decorating Cookies.. 60 designs for holidays, celebrations & everyday ...truly inspired to do cookies in a whole new light ..think outside the box ! Creativity in these books goes on and on ...learning is easy recipes given what more could u ask for out of 2 great books !

Awesome book! I love the variety of recipes and ideas for decorating cookies that are included. The step by step directions are great, and will help even the most novice cookie decorator create pretty (and delicious) cookies.

I am huge fan of the website Bake at 350 and was super excited to get this book and start making some holiday cookies. I hate to say but I have not found much useful information in it. The Vanilla-Almond Cut out Sugar cookie dough was so crumbly that I could not even get it to roll out so I could cut it into shapes. I finally rolled it into a log, put it in the freezer and cut it into circles to bake the next day. The pictures are lovely to look at but I think this is for a more for people who have

experience already. Not a beginners book as others have said.

Love the book. Sure takes the mystery out of decorating cookies and puts the doable into it! We made a batch to decorate but my children ate all of the cookies before we could decorate. They taste that awesome!

Clear directions. Lots of information. I made similar layer cake cookies like those on the cover and they turned out fabulous! Going to have a lot more fun using this book for my inspiration.

I love love love my book! I made my daughter's cheerleading team some megaphone cookies using the recipes and techniques from the book. I need a little more practice, but they were delicious and it was fun and so easy!
