I loved every part of this book. The Bible verses and questions for each date and the original ideas. I gave it to my sister for her wedding and it was one of her favorite gifts.

I love this book. It has a lot of interesting new date ideas as well as some "old" ones but the verses and references they use to go along with them are great. Me and my husband love it!

I bought several copies of this book to give for wedding gifts. It has great ideas and is a very encouraging book.

Exactly what I expected. Great ideas for date night.

Wife and I love this book

Nice, original ideas which can also be used with other family members/children and not only your partner. I love unusual ideas of getting people to talk at a more 'real' level...this definitely helps get things going!

This book is loads of fun. There's never a dull moment.

Some great ideas! We'll be using it for sure.
