Open My Heart To Worship: 11 Of The Most Popular Praise And Worship Songs Masterfully Arranged For Solo Piano (Sacred Performer Collections)

Synopsis

The praise and worship songs included in this collection have become part of the "canon" of contemporary and blended worshipers. These beautiful piano solos, written in the keys in which the pieces are usually sung, may also be used to accompany a congregation. This collection features songs from the CCLI® Top 25! Titles: Above All * Breathe * Draw Me Close * The Heart of Worship * Here I Am to Worship * In the Presence of Jehovah with Surely the Presence of the Lord Is in This Place * Knowing You (All I Once Held Dear) * Let Everything That Has Breath * Open the Eyes of My Heart with Be Thou My Vision * Sweet, Sweet Spirit * They'll Know We Are Christians by Our Love.

Customer Reviews

Oh, I love Mark Hayes! This book is everything I hoped for when looking for a selection of songs I will feel comfortable playing for specials at church. It has some rather technical pieces yet beautifully arranged so they are easy enough for me to polish up quickly. Love the melodic chords and transitional key changes.

Beautiful arrangements by an artist who I had a chance to hear in concert several years ago. Amazing! When it says "Advanced Piano," it indeed is advanced--too advanced for me at this time.

However, as I skim through the book, I notice that there are some selections that might be somewhat challenging for the intermediate player, but not completely out of reach for one who reads music well and can get the music under their fingers in a reasonable time. It is refreshing to see contemporary worship songs in print so beautifully arranged that invite the instrumentalist and the worshiper to open their hearts in praise. I am looking forward to the day that I can play them with the ease and confidence that the artist/arranger intended. Let the practicing begin!

You cannot go wrong with Mark Hayes. This book is an early advanced level.

I have so enjoyed learning these songs in this book! Not all of them - yet- though, but I'm working on 2 or 3 more now. It has increased my skill level (or at least re-awakened it!). It's easy to let yourself get "rusty" without being a regular pianist in church, but with this, it makes me want to sit and play at home a lot more often!

Wow! These arrangements are wonderful! The gospel-swing arrangement of "Sweet, Sweet Spirit" is completely original. There is truly nothing else out there like it. The congregation at our church really enjoyed it! The other arrangements all have a more pop ballad feel, which is nice. I don't have any other book like this one at all. I have the feeling it will be used quite a bit. The difficulty level is not as high as some of the Mark Hayes editions. I would classify this one more at the level of his Intermediate titles. I am an advanced pianist and sight read the entire book at near-performance level. So if some of his other books are a little too "scary" for you, this one might be very enjoyable to you instead. Even though they aren't as difficult, however, doesn't mean they aren't as beautiful or as rich. This is an all-around great collection that belongs in every pianists library.

This is categorized as Advanced Piano, but I'd put it down at least a notch, so that those who don't put their skills in that category won't shy away from this book of contemporary solo pieces. None is written in 4 sharps or more, & there are no extremely difficult "runs" to master-things you can't determine from the few glimpses provided by the "Look Inside" feature. I'd recommend this book.

These arrangements are typical of Mark Hayes.....wonderful arrangements that sound more difficult than they actually are. The Advanced rating, in my opinion, should be changed to moderately advanced. This is a wonderful collection of contemporary worship songs from years back (They'll Know We Are Christians by Our Love and Sweet, Sweet Spirit) and from recent years (Above All,

Here I Am to Worship, etc.). You will not be disappointed with this book!

Excellent
