Liz Kessler is the author of the New York Times best-selling series about Emily Windsnap, as well as three adventures about Philippa Fisher and her fairy godsister. She is also the author of the middle-grade novel *A Year Without Autumn*. Liz Kessler lives in England.

My daughter (age 8) loves the Emily Windsnap books - she's currently on the 3rd book and has really enjoyed them so far. We had been getting them from the library, but when I saw the whole series for sale we just ended up buying it! I also bought the 5th book in hardcover, which will be a surprise for later, once she's done with the box set :o)

My granddaughter, who just turned 7 yrs old, is really enjoying this set. Had been recommend buy a friend of ours who is a children's librarian. Great to have all books together. Wonderful gift.

My fourth grader loves to read and she is really enjoying this series. Took her one day to finish the first book and she on to the next. Great for girls who like mermaids!

This is the best book ever when you can get it on kindle for all of these books not one

Great books! I purchased this set as a gift for my 8yr old niece who reads at an advanced level - they are perfect for her.

Bought this as a gift for a 9 year old girl, and she was thrilled with it! I have never read these books, but this little girl had told me that she likes the stories, and she was very impressed with the cool boxed set.
