My 8 year old daughter has a hard time reading, mainly because she is never interested in anything. I was surprised when she didn't put this down until she was finished. It's like a graphic novel and I was ready to try anything. I'm glad I found a compromise for her.

My Daughter loves this book. Comic Book style for a girl is pretty cool.

granddaughter loved all 4. She's 6.

My girls love them. I can't wait to give them to them.

Great gift for pre-teens!
