Fun With Bugs Stencils (Dover Stencils)

Synopsis

Easy-to-trace images of a wasp, winged ant, Hercules beetle, moth, weevil, and grasshopper have been carefully rendered and cut to display their distinguishing characteristics. Fun for children of all ages, these realistic designs can also be used by craftworkers to add eye-catching accents to fabrics, walls, posters, and almost any flat surface.

Customer Reviews

Worked as expected.

Excellent value for anything, but I'm using for face painting. Washable, wipable, and a good size for little faces or arms.

My triplet grandsons are now into stencils, and love any stencil they can get ahold of.

Stencils can be pulled from the booklet easy the paper is more of a card stock and is easy to use. The stencils are big.

Very nice. Works well with spray paint kits

Great

Was fun for my great granddaughter

We got these for our sons bug birthday party. The kids were able to trace the stencils and had fun doing so. There are several types of bugs and they are relatively easy to trace. The stencils (the whole book actually) is kind small...like 5"x7" but for the price, it was a good purchase.
