Customer Reviews

Katie Woo returns with four fresh adventures: She visits her grandparents' new house, sleeps in a flood shelter, moves, and catches the flu. Katie often worries about new things, but her family and friends help her through. Full-color illustrations augment every page, and the large font size and white space make this a good bridge from early readers to beginning chapter books. Katie Woo joins the growing ranks of books featuring Asian American families in everyday situations. More cautious than Lenore Look's Ruby Lu, Katie's reactions to life's challenges will resonate with many readers. Grades K-2. --Suzanne Harold

Fran Manushkin is the author of many popular picture books, including *Baby, Come Out!*; *Latkes*

and Applesauce: A Hanukkah Story; The Tushy Book; The Belly Book; and Big Girl Panties. There is a real Katie Woo • she's Fran's great-niece • but she never gets in half the trouble of the Katie Woo in the books. Fran writes on her beloved Mac computer in New York City, without the help of her two naughty cats, Chaim and Goldy. Tammie Lyon began her love for drawing at a young age while sitting at the kitchen table with her dad. She continued her love of art and eventually attended The Columbus College of Art and Design, where she earned a Bachelors degree in Fine Art. After a brief career as a professional ballet dancer, she decided to devote herself full time to illustration. Today she lives with her husband, Lee, in Cincinnati, Ohio. Her dogs, Gus and Dudley, keep her company as she works in her studio.

While my 7-year old granddaughter loves reading, I sometimes worry about all the title characters who cause trouble or disobey. Katie Woo is a realistic child, who learns from her errors and is, at heart, a lovely little girl. While we also enjoy the mischievous stories of other books, this series lets children know that being nice is a better way to go. Great first "chapter" books, easy to read but not so difficult as to frustrate an early reader.

My reluctant reader loved this series! Great for 7-9 year olds. Good step up from "readers". My kid sees these as "chapter books" and that makes all the difference! Great lessons about friendship

Great for kids
