I thought the meditations were okay, but I really wasn't inspired by them. I think this is a personal choice and what I consider to be just okay could be seen as life changing and life affirming by others.

HeatherAsh Amara has created a wonderful meditation cd. She leads you through guided meditations to bring out the best in you. Her voice is very soothing and reassuring. I love this cd.

My wife loves the cd!

Great seller...awesome meditations.

I love this CD. It's excellent for working with the book "The warrior Goddess Training Program". Both truly go hand in hand.
