An accounting of the historical ghost stories.

I bought this book from because of the author (From Goodwill Savannah). I saw Haunted History many, many years ago & while jotting down notes about Things To See While I'm in Charleston, I wrote: Julian Buxton Historian, Author & Ghost Enthusiast of Charleston. So I went on , bought a USED copy & to my surprise it was an Autographed Hard Book & THE STORIES ARE AMAZING. I used it along with my Walking Guide book while visiting Charleston, SC. I love anything to do with paranormal & history especially when it's combined. This book was the Best Ghost Book I've ever purchased because it combines history & paranormal while being able to see all the Hot Spots with my own eyes! I always buy a Haunted Stories of whatever city/town I travel to in order to use it as my guide instead of doing the Ghost Tours. I find it more enjoyable to go at my own pace. This was the best book out of all ones I own (I own 100+ paranormal books from over 50 towns/cities all over the world). Also VERY NICE USED AUTOGRAPHED BOOK for only \$3! SCORE!

Known as the "Holy City", Charleston is one of the oldest in the U.S., and one of the most haunted! Julian Buxton gives a bone chilling glimpse into the underworld of this amazing city. Beautifully

written and filled with historical facts, it is a must read for anyone interested in the concept of ghosts interwoven with actual history. Fascinating!

This has a very concise and engaging way of describing the stories at each unique place in Charleston. I read it as an introduction to the tour. Try it one day . its awesome!

Loved the book and my trip!!!

Beautiful storytelling enhanced by relevant historical details.

After being there and taking the ghost tour this was a fun read.

Love this book, wanted it after visiting Charleston on an vacation, couldn't find it for a while, but was glad when it came back into stock!

Very interesting read!! I just visited Charleston and purchased this on my return....oh how I wish I had read it before my trip!
