Customer Reviews

Overall, the reduction fits the piano much better. * Kenneth Martinson, Canadian Viola Society Newsletter *

Sir William Walton was born in Oldham, Lancashire in 1902, the son of a choirmaster and a singing-teacher. He became a chorister at Christ Church Cathedral, Oxford, and then an undergraduate at the University. His first composition to attract attention was a piano quartet written at the age of sixteen. At Oxford he made the acquaintance of the Sitwells who gave him friendship, moral and financial support and in 1922 he collaborated with Edith in devising the entertainment Facade. Less than ten years later, Osbert prepared the text of another masterwork, Belshazzar's Feast. From 1922 to 1927 Walton began to spend an increasing amount of time abroad, notably in Switzerland and Italy. The war years were devoted mainly to writing film and ballet scores and he became established as amongst the greatest composers for the screen.

My son is the music major in the family, but he has jumped in with both feet and is enjoying the challenge. It is very complicated and modern, so if you like edgy and non-traditional, this is a must for your repertoire.
