#### **Customer Reviews**

I grew up in Texas and currently live in Texas, but I have lived in a lot of different places in between: Spain, New Jersey, San Diego, San Francisco, NYC, and Boston. Meeting so many different people from so many different places has helped to inspire a lot in my writing, and I continue to meet interesting people in my own backyard. Books helped me out a lot as a kid and they remain steady companions, teachers, and friends. Wherever I go, growing up gets a little bit easier every day.

I bought this for a girlfriend's daughter that is struggling with bullying and the self esteem issues resulting from it. She loves the book! Thank you so much. Truly.

Bought this for my teenage daughter. She loved it. Didn't put it down until she finished it..

Exceptional for young girls!

I can wait to give this to my daughter!!! Great book with inspiring messages. I am trying to find another one for my younger daughter.
