"Loads and loads of info that will be useful beyond this calendar year."- NC Teacher Stuff
"A great book that will keep kids engrossed for hours at a time."- Batch of Books

You're going to laugh, but it's the truth. I've been buying these since 2008 as a way to discover and learn things with my three children, in a fun and enjoyable way. Without a doubt, it has worked. The funny part is that they no longer have the need to continue to use them, but yet I find myself

continuing to buy them. I love reading through them, and even if some of the information is repetitive, it serves as a memory reinforcement! It's all good!

kids love it!

A personal must for every year even for an adult. I enjoy knowing about music and drama that are popular in the US. I also enjoy the comments referring to the political systems of the world countries.

My 9 year old son writes: I love this book it talks about the world, it talks about animals, it has good pictures, it talks about sports, it talks about the white house and the presidents.

I gave this to my 11 year old grandson. He didn't put it down for a whole day - he loves it!

Very informative. My 9 yo stepson enjoys reading it.

I BOUGHT THIS AS A GIFT. LOOKS VERY INTERESTING.
