I expected the Beatles Lyrics and got something else. Bad business. I expected the Beatles Lyrics and got something else. Bad business.

Why pay for Beatles lyrics when you can get them for free from the Web? Because of the time you save. Sure you can download every song, save them on PDF files and read them on your Kindle, but this will take you at least 8 hours of work. If your time is valued at more than \$1 the hour, this book is for you. I also like the convenience that by buying it, it is stored on the cloud and you can download it to any device. I have it in my Kindle, my Android phone, my PC and my laptop. Yesterday, I was accompanying my wife to the doctor, and I had forgotten my Kindle. But then I remembered I had BEATLES on my Android. I fired my phone up and started mentally singing the songs (from LOVE ME DO, onward). I must have been moving my lips a bit and enjoying myself too much because people started giving weird looks. So I walked out to the hallway and hummed all the melodies up to YOU'RE GOING TO LOSE THAT GIRL. That's when my wife came out. "That was quick," I said. "What do you mean quick", she answered, "I was in there for almost an

hour." "Really," I replied. "I did not notice." I kissed my phone and smiled.

Horrível! Como pode um livro desse nível ter índice?? O objetivo do leitor é justamente encontrar músicas específicas! É quase impossível achar qualquer uma! E nem está em ordem alfabética e sim de lançamento! Muito ruim! Não recomendo!

This book presents the lyrics of the vast majority of songs by the Beatles. Including some unreleased until recently. Deserves a five star for the medium it presents.
