The Apostles And Their Times

Synopsis

Here is an unflinching look at the lives and sacrifices of those first Christians who were given the task of spreading the Gospel to the ends of the earth. Relying on the ancient documents, as well as latest archeological findings and scientific research, acclaimed author Mike Aquilina takes you on a journey through the Apostolic Age, bringing to life the ancient streets and crowded marketplaces through which Mary and the Apostles journeyed as they built a Church that lasts even to our day. You'll also discover the beliefs of the early Christians, what they taught about the Eucharist and the Divinity of Christ, how their Church services resembles today's Mass, and how Rome became the spiritual center for Christianity. Read these pages, and you'll come to see that despite the best efforts of their enemies, the blood of the Apostles did not snuff out the Faith but brought forth great saints whose holy deeds and brave examples gave the besieged Church a vigor that lasts even to today. *The Apostles and Their Times* will give you confidence that the Church is indeed Christ acting in the world, and that no matter how ruthless her opponents, she will endure to the end of time.
