Big 4 Accounting Firms Interview Questions: 32 Questions & Answers To Get You The Job You Deserve

Synopsis

Need help with Big 4 Interview Questions? Are you going through the big 4 interview process right now? Do you have any idea what the big 4 are going to be asking you? It's OK if you don't, because this book will provide over 30 interview questions and answers to help you get ready.

Brought to you by the team behind big4accountingfirms.com and the ebook -- *The Big 4 Accounting Firms Recruiting Guide* This book offers:

- ... questions that you can ask your big 4 recruiter
- ... questions that you can ask your big 4 partner
- ... a free resume template at the end of the book.

The format of the book is to first provide you with the question that will be asked in the interview. Then we provide the reason around why the big 4 ask that question. Then we give what a bad answer would be to the questions, and what a good answer would be. The reason we formatted the book this way is to help you understand the types of questions that you will be asked and why you are being asked those questions. There are too many times where I have interviewed candidates, and they answered with an inappropriate answer. They didn't respond inappropriately because they are stupid or bad people. They responded inappropriately because they didn't practice or no one taught them how to interview. You don't need to have the same problems when you interview with the big 4 because this book will help you get inside the big 4 interview process. You will understand the types of questions that you will be asked. You will also understand the types of answers to avoid and the types of answers that will make you a superior candidate. Some people can't come up with interview answers themselves because they aren't good interviewers. This book will help you come up with examples if you can't think of any yourself. There are several categories that the big four public accounting firms like EY, Deloitte, PwC and KPMG test you on when they interview you. We try to cover as many of the categories as possible in this book. The big 4 interview questions are split into these categories. The skills that the top 4 accounting firms will test you on are:

1. Ability to face change
2. Ability to learn on the job
3. Your courage and integrity
4. Your client relationship skills
5. Can you build and sustain relationships?
6. Can you coach others?

These and many other categories are covered in the big 4 interview questions books. We categorize our questions to help you think about your answers in a more thoughtful manner. Big 4 Accounting Firms Interview Questions will help you understand the:

- PwC interview questions and answers
- KPMG interview questions and answers
- EY interview questions and answers
- Deloitte interview questions and answers
