Read And Share Toddler Bible (Read And Share (Tommy Nelson))

Synopsis

This new addition to the Read and Share™ brand contains 40 stories plus a 60 minute DVD including bonus features just for toddlers. The Read and Share Toddler Bible is a delightful way to introduce little ones ages one to four to God's Word. Gwen Ellis's engaging retelling of Bible stories along with Steve Smallman's colorful art communicate God's Word clearly to small tots with short attention spans. Stories from both the Old and New Testaments include all-time favorites ranging from Creation, Noah, Moses, Abraham, Isaac, Joseph, David, to Jesus' birth, miracles, death, and resurrection. Bonus DVD includes stories and bonus features from the popular Read and Share™ DVD Bible series. Each story is three minutes long to keep toddlers attention span engaged.

Gwen Ellis has been writing and editing all kinds of books for many years. Her Read and Share Bible and its ancillary products have sold more than 1.3 million units. Gwen is fierce in her endeavor to communicate the Word of God to kids, and she is the proud mother of two adult children and two wonderful grandchildren.

After receiving this bible and reading with my 18mo old daughter, I was a bit disappointed. She

hardly payed attention and kept pointing at her other kids bible (one meant for infants). She did this for about 2 weeks before I decided to stop trying for a while. However, we picked it up once again about a month ago (she's 23 months now) because I was trying to find a story not included in her infant bible. This time around she listened and even asked me to read the story again. I realized that her brain was now able to absorb the 3 page story. She understood and followed along. What I loved: Its perfect for my toddler as the stories go into more detail than her infant bible. Parent tips that reminded me of important concepts she could relate to were great. Fun and colorful illustrations where she could point out main characters. I only wished it were bilingual as I make it a point to speak mostly spanish around my daughter. However, if spanish is your native language you could translate with ease and that way you can word the stories as you see appropriate. Of course that would only work if you have enough knowledge of the stories. The dvd that comes with it is nice, but we won't be using it until she understands English better.

I really like this Bible for my kids. The pictures are more "soft" than some of the other children's Bibles out there in that the colors aren't quite as neon. I think they've done a good job with the stories, although I have had to bring it down a notch or two for my 3 year old to understand. This also came with a DVD, but it was pretty laughable. It's such a great idea, but the narrator was awful; very monotone and not at all enticing for kiddos.... In my opinion. My son was actually afraid of it and I had to turn it off. Such a shame!

Love this Bible for two year olds. It's perfect for them. I wish they had more Bible stories though.

Life changing.

This is a great series for young children. God bless you for carrying it.

The read and share Bible is wonderful for my 16 month old son. He doesn't like to sit still for very long but loves when we read a story. The stories are the perfect length for him! I am so happy with this purchase. I also love the illustrations, they are precious! We have not watched the DVD yet but I am sure it is just as wonderful.

I love this book. it includes short stories, which are great for my toddler to really understand the Bible and what God did and does for us. My 2 1/2 year old loves it and asks questions as we read.

The photos are great too!!! Very well put together.

I was sort of hesitant buying this one because I was hoping it would hold my daughters attention and I have to say she is 17months and loves the CD. She will sit and allow us to read to her for awhile but the CD will have her mesmerized. The CD is so cute, I wish the CD was longer.
