Adorable and fun

I love The Coloring CafÃ© books!! I own both of Ronnie Walter's Coloring CafÃ© books, both Journals, and both her novels too. She is an awesome artist and writer. The journals are a great thing for a family vacation. It's fun to have something to color during downtime along with being able to journal about the vacation. My 8 year old loves the coloring and while she's at it, I ask her to write a little about the day. It's great practice writing for her and an excuse for me to get her off the electronics. Anyone who likes puzzles or scrapbooking would love The Coloring CafÃ© books and journals.

I love my journal so I purchased this one for a writer friend who is setting out on a 6 month RV trip with her husband. She adores it. I may need to get Ronnie's other journal for her. She is filling this one up too fast!

Noy worth it
