Synopsis

Periplus is a pioneer in mapping the cities and countries of Asia. Among its many "firsts" are maps of Phnom Penh and Angkor in Cambodia, Sarawak and Sabah in Malaysia, Chiangmai and Phuket in Thailand, Lombok and Yogyakarta in Indonesia, as well as the first map to cover all the major cities and tourist destinations in Vietnam. A dozen new titles are produced annually, and our goal is to publish accurate maps of every city and travel destination in the Asia Pacific region.

Customer Reviews

This is an old map, but still useful as not too many things have changed since 1997 in the places of interest. However if you are not planning to study Kathmandu area in advance you can buy the latest edition (there are several available) once you are there. Those maps are colorful and good and work as a souvenir as well.
