Battletech Handbook House Kurita

Synopsis

Only the powerful mystical society Comstar could compile this source book on House Kurita and the Draconis Combine. Dozens of full-color illustrations depict famous personalities, scenes, and military ranks, decorations, and insignia. Also included is Kurita history from Shiro Kurita's bloody conquests while forging the Draconis Combine to Takashi Kurita's ruthless justice. Every Combine mech regiment from Rasalhague to Luthien is listed along with the totalitarian government's structure, a description of the ISF, the Combine's secret police, and excerpts from the Dictum Honorium which spells out the codes of conduct for Kurita citizens.

Love this book. Its a must have for battletech rpg

A beautiful book that is well worth the wait. A great read about the noble House Kurita.

As a long time Battle Tech player and campaign runner, I loved this one.

Great book.

Great over view of the Draconis Combine from the perspective of the people of the combine.
