Customer Reviews

Great titles and easy to play. I'm a piano teacher who also plays out. The last time I played at I took this book with me and sight read the whole thing, adding a little improvisation. I got more tips than usual!

I have been looking for "Only Hope" for a while, and love the arraignment of it. Sounds great, and

not so complicated that you can't learn it and play it well after some practice.

This is pretty simply arranged music, very good for a beginner or one who just doesn't play well. I'm enjoying it a lot.

Purchased this for a music student. She has enjoyed it so far.

I have three kids taking piano lessons, and their teacher recommended this book. Has lots of great songs that we are familiar with from listening to KLOVE.

Really enjoy the selections.

This is great music for me since I am not a very good pianist. I have really enjoyed playing some of my favorite songs without much difficulty.

not for beginners to play at all
