Women Of The New Testament (Lifeguide Bible Studies)

Synopsis

Lydia shows us how to influence the people around us. Elizabeth's life challenges us to care for others. Women like Herodias and Sapphira warn us against turning away from God toward bitterness and dishonesty. As Phyllis J. Le Peau introduces twelve significant women of the New Testament, she invites you to enter into their lives and learn from them what it means to be a disciple of Jesus. This revised LifeGuide Bible Study features additional questions for starting group discussions and for meeting God in personal reflection, together with expanded leader's notes and a "Now or Later" section in each study.

Phyllis J. Le Peau worked with InterVarsity Christian Fellowship for over two decades in St. Louis and the Chicago metro area. She is also the author of several Bible study guides published by InterVarsity Press and Zondervan. She and her husband Andy have four married children and thirteen grandchildren.

We are using this book right now in our Sunday School class. It is very good and the questions are well thought out and solicit good class participation. We are covering 2 chapters per Sunday and that is a pretty good pace but it could be lengthened to cover just one chapter per week. It is a short booklet and the bible readings are given but not included. A short paragraph or two sets up each

session. At the end of the booklet is a leaders guide. It's pretty brief but does give some good suggestions about how to answer the questions. So, it's a short booklet with good questions but not much reading material. The leader guide is in each booklet and is not too detailed but a good starting place. The class seems to really enjoy the book and questions. The class

We've done several LifeGuide Bible Studies and this was a disappointment. Not as thought provoking as the others.

I chose this book to use for my Sunday School class of women. It is an Easy lesson book because we read from the Bible and then answer questions about the woman and reflect on how this lesson can be applied to our lives. I think we are learning from the lesson. However, the lessons only take about 30-40 minutes. Each lesson is a woman from the bible.

"WOMEN OF THE NEW TESTAMENT" WAS NOT WHAT I WAS EXPECTING. I WAS EXPECTING MORE INSIGHT ON EACH WOMAN. THE SCRIPTURE WAS GIVEN FOR EACH, BUT NOTHING ELSE. THERE ARE QUESTIONS TO DISCUSS, BUT NOT ABOUT THE WOMAN. IT DOES GIVE YOU THE NAMES OF MANY WOMEN SO YOU CAN LOOK UP AND RESEARCH YOURSELF.

Book arrived very quickly. Excellent bible study

Very good study! Would recommend it to anyone doing a Bible Study. Very informative and interesting and enjoying it very much.

useful for our bible study group

A little disappointed. I have read other books about woman of the bible . This not my favorite.
