The Southern Bite Cookbook: 150 Irresistible Dishes From 4 Generations Of My Family's Kitchen

Synopsis

In the South, a conversation among home cooks can be just about as illuminating as any culinary education. Luckily for Stacey Little, home cooks run in the family. Whether it's fried chicken or pimento cheese, fruit salad or meatloaf, everybody's family does it a little differently. The Southern Bite is a celebration of those traditions and recipes every Southern family is proud to own. It's the Pecan Chicken Salad that's mandatory for every family reunion and the hearty Goulash, so comforting after a long day. It's the Glazed Ham that makes its way to the Easter table every year. If you're lucky enough to hail from the South, you'll no doubt find some familiar favorites from your own family recipe archives, along with a whole slew of surprises from Southern families a lot like yours! There's Turnip Green Dip for your next party, Chicken Corn Chowder for those chilly fall nights, and Cornbread Salad for when you really need to make an impression. No matter what's cooking, Little's goal is the same: to revel in the culinary tradition all Southerners share. These are the recipes that bring us together and the meals our families will cherish for generations to come.

Stacey Little is a Southern food blogger. His easy, delicious recipes and heartfelt stories have brought millions to his blog, SouthernBite.com, since he created it in 2008. Stacey's deep Southern roots have him firmly planted in central Alabama, where he lives with his wife, little boy, two dogs, and his collection of cast iron skillet.

Stacey, your recipes are just like a trip back in time to my Momma's home cookin'. I have been

reading your blog for a long time. All of the recipes I've tried have turned out perfect and delicious. The stories throughout your book are so sweet and happy. Keep doing what you do.

I've been using Stacie's recipes for a while now. I got them on line and had to bring my laptop into the kitchen. Now his cookbook is loaded on my Kindle which is much easier to use. I'm really looking forward to trying just about every recipe in the book now. So far, his "Paige's Tater-Tot Casserole" is my favorite. The holidays are upon us. It's great to have a whole new list of entrees, main dishes and desserts to wow my friends and family. Seriously, if you love food and easy to follow recipes, you need this book

GOOD COOKBOOK. RECOMMEND BOOK AND SELLER!

Even though I'm a girl from Miami, my Ama & Papa came here from Cairo, GA and I was blessed enough to be raised on good old Southern Cooking. This book brings back so so so many good memories and feelings from my past.... plus some new ones I'm able to create with my own friends and family. Thoroughly enjoying this cookbook!

If you need to invite a bit of comfort into your home, this is the cookbook to do that. Filled with delicious, easy food recipes, as well as heart-warming family lore, this book delivers! I had so many fond memories refreshed while reading about Stacey Little and his family bonding with true Southern food delights. Gather 'round the table and let Mr. Little bring some comfort into your life.

Yummy recipes!

Best and most practical cookbook I own!!!!

I have thoroughly enjoyed not only preparing the recipes from this beautifully designed cookbook, but reading the stories as well. It is a delight to peruse, easy to prepare and delicious to eat! I don't purchase many cookbooks but am delighted that this one made it into my selective group of well loved, often used cookbooks. Shhh...don't let the cat out of the bag, but I am looking forward to giving this to many of my girlfriends for mother's day! The southern style and southern recipes of this cookbook are a MUST HAVE!
