I used this book as a decoration for my daughters birthday..this was the theme. She now reads it everyday and loves the book. It is very well made, cardboard inside out, and so far has not been chewed up...by my toddler or dog

All of the books in this series are excellent! I love "reading" them to my one year old as I sing her the songs, and she loves hearing the songs while looking at the pretty pictures on the pages! They are her favorites, and she has A LOT of books!

Darling board book! The little minds that absorb like sponges will love this! Also wonderful to start singing to & with your little one. This is one that is on my list to give as gifts for first time parents.

Very cute book! I love the fact that it is so shiny so it immediately gets my kids attention & they want me to read it to them. Definitely a great buy

I am an auntie to a soon to be one year old and an infant educator, and this book is one the children really enjoy. They enjoy turning the pages while someone sings them the tune, pointing out the bear, baby or star in the picture,

Shiny, catchy cover. Wonderful illustrations. Reads just like the song. She loves it!

Bought this for my niece's baby shower. It was a perfect gift for the baby shower's theme: Twinkle Twinkle Little Star!

Beautiful board book! I bought this for my sister in law who is expecting.
