Manual Of Equine Dermatology

Synopsis

A concise handbook of equine dermatology, fully illustrated in color and diagnostically oriented. Each chapter covers clinical signs, differential diagnosis and treatment, and emphasis is placed on how to distinguish similar conditions. The authors are world-renowned authorities on equine dermatology.

Customer Reviews

"..this book is very useful source of information on equine dermatology. [the authors] wide range of experience of different diseases enhances the text, making it suitable for an international readership. I would consider it to fall into the must buy category for anyone involved in equine dermatology." Review by Ross Bond, Veterinary Record, March 2000
