Devil's Rise (Black Eyed Children Series Book 2)

Synopsis

She thought she had escaped. She couldn't have been more wrong. Months have passed since Ruby managed to flee from the demonic children that hunted her in the Yukon wilderness. Still, she can't shake the memory of their obsidian eyes and the crippling fear that they aren't really dead. With distance, time, and her new job at a ski resort, she hopes to bury the past and move on. Her days are simple. She works the gondola to send visitors up the ragged mountainside to the restaurant at the summit, and never stays out past dusk. Then a group of skiers mysteriously disappear, and Ruby is forced to break her own rules. Along with her coworker, Tristan, she must wait for the rescue crew. As night descends, stranded on the top of the mountain, a living mist rises, and her greatest fear comes true. Exhaustion, terror, and madness take their toll, and Ruby and Tristan are forced to rely on each other, or perish. But trust may prove to be just as deadly as what is lurking beyond the door. Because the children have survived. And they really want to come in.

This time Ruby is working at a hotel/lodge called the Bears Run Resort. It is located on a hilltop offering skiing slopes also. When the mist rolls in Ruby starts seeing the children again. She and her co-worker, Tristan begin to be attacked by the ghost children. This story is full of creepiness and goosebumps. It could be a standalone but I would recommend them in order. Great story and I can't wait for the next one!

Do not read this book before bed. You will need to sleep with the lights on. The black eyed children are the stuff of nightmares!

Black eyed children #1 & #2 Both were great! Kept me at the edge of me seat. Read both in one day, couldn't stop. Only one problem, in book 2 they lost their phones...shortly there after, the phones were back again. How did that happen? Did I miss something?

I would definitely recommend this book to family and friends alike!!!! Loved it from start to finish!!! Could not put it down!!! Keep on writing!!!!

I recommend reading Black Eyed Children first so you know a little of the back story but you could read this as a stand alone if needed....poor Ruby is stuck high on a secluded mountain with another co-worker for 3 days fighting off the ghostly children who love to use decapitated heads as a weapon....very creepy book!!

I would've rated it higher but every time I came across bad spelling , it would take me out of the story. If that doesn't bother you and you're looking for a good & creepy book, this is a pretty good one. That being said, I look forward to the next book.

This series of 2 books were awesome! This series of 2 books was awesome! These ebooks kept me hooked. I just discovered this author. Will definitely read her other books!
