Shadows Stir At Seven Sisters (Seven Sisters Series Book 3)

Synopsis

Where is Calpurnia Cottonwood? Find the Answers in Shadows Stir at Seven Sisters Seven Sisters, an antebellum restoration in downtown Mobile, has come to life recently...and not in ways historian Carrie Jo Jardine had expected. After battling and surviving a dangerous encounter with a visitor from the past, Carrie Jo and Seven Sisters's handsome owner Ashland Stuart have one last mystery to uncover. Where is Calpurnia Cottonwood? Risking it all, Carrie Jo once more puts her dream catching gift to work. She returns to the past, searching for clues, and she's determined to finally put this family secret to rest. Books in the Seven Sisters Series Seven Sisters Moonlight Falls on Seven Sisters Shadows Stir at Seven Sisters The Stars that Fell The Stars We Walked Upon The Sun Rises Over Seven Sisters The Desert Queen Series The Tale of Nefret The Falcon Rises The Kingdom of Nefertiti The Song of the Bee-Eater Praise for the Seven Sisters Series "Historical fiction mixed with a modern mystery at its finest!" Customer Reviews

I just finished this book, which is book three in the series. I did enjoy the book. The author can hold your interest and has promise as an author. The caveat here is that all three of these books really only amount to one complete book. The first two volumes are about 150 pages each, and the third only 108 pages. Each of the first two books stops abruptly in the middle of the narrative. I actually love reading series, but felt cheated with this one. It was certainly not a novel with sequels, just a single book stretched into three. The third volume finally brings about an ending, but also left a few details out. Without giving anything away, there are hints that a few main characters are related to people that lived in the past, but that idea is not really explained fully and left me wondering why that part of the story was not fully explained. My recommendation: The author is worth reading, but only if she offers full length novels in the future. She also posted a few snarky comments over twitter about not having used up her quota of negative reviews yet. She certainly doesn't seem to appreciate feedback from her readers, or care to create a loyal group of readers. Too bad for a promising author...

To me this book was no where near as exciting as the first two. I felt it was primarily romance, which is not my choice read. A little is fine but don't go overboard. This wasn't mushy romance just more about her relationship with Ashland than the Seven Sisters...in my opinion. I am glad to bid farewell to The Seven Sisters. It was time. The loose ends tied up nice and tidy. I might read a couple more about Carrie Jo. Her ability fascinates me. I do recommend this book to complete the Seven Sisters story....at least I hope the other books don't go back there and I feel they won't. It gives all those questions some needed answers.

While the rest of the story was fleshed out, the resolution was quite disappointing, not for how the story was resolved, but that the author sailed through the final pages like she was running a race.

This kind of story needs to be longer than what it was and more detailed. The author seemed

rushed in telling this story. It is sad to string along readers who are interested on the subject.

For as compelling as the first two books were I was so disappointed in this one. Finding out what happened to Calpurnia and Muncie was just okay. The conclusion for Isla and the Captain was just really not explained only a passing mention. So much more could have been done to complete the saga of the Seven Sisters and make me interested in reading the next chapter of Callie Jo and Ashland's life. As it is I think I'll wait for either \$.99 sale or better yet freebies.

Disappointed in the ending. So much was left out. So many signs of the author's increasing ease at telling this story only to end it so abruptly. So much more could have been done.

This writer has a very comfortable style of writing, keeping you at the edge of your seat. Could not put the book down. Good history connected to the story. Awsome series, but have to read all three

this is a part of a book. you pay one hell of a lot to read the entire book. don't do it. it's not that good.. you keep hoping it gets better.... it does not.
