(Modern Classics Series): The
Magnum Opus Of The World's Most
Influential Philosopher,
Revolutionary Thinker And The
Author Of The ... The Birth Of
Tragedy & Beyond Good And Evil**

Synopsis

"you must be ready to burn yourself in your own flame; how could you rise anew if you have not first become ashes?" Thus Spoke Zarathustra (subtitled as A Book for All and None) chronicles the fictitious travels and speeches of Zarathustra, the founder of Zoroastrianism. While Nietzsche injects myriad ideas into the book, a few recurring themes stand out. The overman (Übermensch), a self-mastered individual who has achieved his full power, is an almost omnipresent idea in Thus Spoke Zarathustra. Man as a race is merely a bridge between animals and the overman. Nietzsche also makes a point that the overman is not an end result for a person, but more the journey toward self-mastery. Friedrich Nietzsche (1844–1900) was a German philosopher, poet, and Latin and Greek scholar whose work has exerted a profound influence on Western philosophy and modern intellectual history. Because of Nietzsche's evocative style and provocative ideas, his philosophy generates passionate reactions. His works remain controversial, due to varying interpretations and misinterpretations of his work. In the Western philosophy tradition, Nietzsche's writings have been described as the unique case of free revolutionary thought, that is, revolutionary in its structure and problems, although not tied to any revolutionary project.

Customer Reviews

"Zarathustra the godless!" Written in a unique literary style with a unique philosophical perspective. You experience this book more than you read it. You read a magazine, right? This book is deep and heavy and all us mortals can do is try to wrap our heads around the genius of Nietzsche.

Masterpiece!

Ah not for everyone. Not to sound snobbish but don't attempt to read if your level of reading and understanding isn't in top form . If philosophy is important to you then read i

Nietzsche transfigures himself as a melancholic and incredulous figure. This piece shows his disappointment and sadness regarding the institutions of modern times. The style is a quasi-satire of how religions deliver their messages and it reaches genius proportions in this book. I can see how revolutionary it was more than 100 years ago. It may still cause discomfort to readers nowadays. A must.

Mirrored with the Jungian individuation process, I found the book to be most fruitful. I loved it! I recommend for a fairly experienced reader, both subjectively and objectively.

Dated but an interesting read nonetheless

WOW! I believe I'm a Zorathustrian!! His anger at false teachings match mine

exactly as described

Don't have anything against it, just very hard read for a person who's english is a second language
