## Customer Reviews

Impressive! This book composed of the healthiest and most tasty Paleo recipes you can prepare at home in your Instant Pot. This is really very good. It has many tasty recipes that are easy to make. The book is easy to follow and nicely written with plenty of pictures. They are simple enough to make, but delicious enough to impress your friends and family. Thank you so much for sharing this to us.

I just received this book. It is absolutely disappointing. Recipes are NOT 365 instant pot recipes. There are a ridiculous number of oven dishes, almost chapters full. What on earth does this have to do with the title? Misleading and unethical title. Shame on the author! Instant Pot you should intervene!
