This journal book is such a great find! I got it for my daughters 9th bday and she loves it and has written in it everyday since she received it. Such positive messages for them to really act on and

reflect through writing. Highly recommend!

I bought this as a supplement to the Wonder Book that the school is having our kids read. I think it will work out nicely. Great size and great writing space. Cannot wait to read at the end of this journey.

What a great journal! I wish I could buy one for each of my students.
