## Synopsis

Facing the past can be deadly&#133;Â Twenty years ago, Lainey Colton spent one perfect summer in Deer Run with her beloved great-aunt Rebecca. ## Customer Reviews

Thus book is the last in a series, of three books that involve a mystery that covers twenty years and impacts several lives in a small Amish/English community. Marta Perry is a favorite author of mine....she writes in a realistic fashion giving her characters depth of emotion without ever getting too corny or trite....Good mystery...I never guessed who the killer was

Easy and exciting reading. Loved the book. This author is very good. I look forward to another one of her stories.

The story is so good you don't want to put it down. I wish there was another in the series

This was a great book full of mystery, excitement and a book you can't put down. Once I started reading I was up all night. I just could not stop until I knew how it ended. So beware when you start you better have enough time to finish it.

No it can't have ended . I want more .very well written , I really enjoyed the series .More please

The story line is interesting and the action is just enough . Martha Perry has a way with story telling.

Good read

Very good end to the series
