Customer Reviews

This book was a feline find! Smiles, grins, and chuckles were my sound effects. Wanted to laugh out loud, but did not want to disturb my sleeping spouse. It is difficult explaining the situation that caused his disturbance. He is not a reader. I perfectly understood Vanessa's conversations with her

furry companions. I do the same with my four legged babies. They listen, answer, argue and complain just as my children used too. I thoroughly enjoyed this book. A quick, easy read to lift your spirits give you that "wish it had not ended so earlier" feeling. Recommend this book to anyone who loves a sweet read and loves furry companions.

Very sweet Cat Rescue Lady running a second hand store to support the rescue effort. She talks to her cats and they respond in a very sweet catterly way. A handsome Detective who comes to solve the mystery of the murdered man with the help of our Cat Rescue Lady. Light hearted, and not PC by any means which is endearing to those of us who are fed up with the PC crowd. Would recommend this one to anyone wanting to read a very cozy mystery and has a deep love for kitties. Although it is very short, Ms. Davis fills it up with all the information we need to solve the mystery.

I love a good cozy mystery and when that mystery involves cats well then it's an even better read for me. Depawsit Slip by Nancy C. Davis is the first book in what promises to be a great little mystery series that revolves around Vanessa Abbot a woman who runs the Opportunity Shop for the Hamilton County Cat Protection League, a league where she is actually the only member! When a murder takes place at the bank, she finds herself a suspect, and soon is trying to solve the case with the towns newest police detective Peter Wheeler. With some help from her clever kitties she just might figure out who-dun-it! Well developed characters and a fast paced mystery makes this a great little read, the only reason I gave the book four stars is because there were a few editing errors. I do plan on reading more of this series because I enjoyed this book so much!

I think the title convinced me to read the book. I am glad I did. The characters were interesting and the story line was, as well. My only wish was that the book was a bit longer. I hope to read the next book in the series.

I have a Bombay cat and while he isnt Henry, theres a Lot of Henry in him. So i love books with cats easy read, fun. I liked it a lot. A little bit of romance in the mix made it even more fun.

A short read but good story! Love the cat characters.

I love that Vanessa talks to her rescue cats and "listens" to them as well. Even though the plot was

rushed horribly, the characters were pretty well rounded. The dialogue didn't always ring true: if I were being accused of murder or my brother was being defamed, I would be spitting mad and probably not e terms The Opportunity Shop ever again. Still, I liked the story and would read more of Vanessa, Det. Pete and the criminal-catching cats when their narrator matures the story line and plot a bit.
