Maine Coon Cats - The Owners Guide From Kitten To Old Age - Buying, Caring For, Grooming, Health, Training, And Understanding Your Maine Coon

Synopsis

Maine Coon Cats - The Owners Guide from Kitten to Old Age - is a must-have book for any responsible owner of a Maine Coon kitten or adult cat. This owner's guide contains up-to-date information and is full of useful advice written in an easy to read (and understand) style. Just some of the subjects covered include: origins and history of the Maine Coon cat, types and colors, buying an adult cat or kitten, male or female, pros and cons, rescue, adoption, breeders, catteries, personality, socialization, spaying, neutering, litter training, bringing your kitten home, grooming, combing, bathing, cat shows, health, vaccinations, training, understanding your Maine Coon, play and toys, food and nutrition, plus old age and what to expect. Written by an expert breeder and owner herself, Rosemary Kendall, writes in a fun and entertaining way while packing the book full of useful hints and tips about these cute and adorable cats. In addition, many top breed experts make contributions, including three special bonus chapters written by breeders who also show their Maine Coons. "As a new Maine Coon owner I wanted an A-Z guide to help me through all the stages of life. It certainly met all my expectations." - Amy Willis "Clearly a professional book which covers everything you need to know about the Maine Coon - funny and informative at the same time." - Alan Edwards

Customer Reviews

A "must have" for any cat library collection. This book is chock full of great information on the magnificent Maine Coon breed that can also be useful for owners of any type of cat, pedigreed or not. I prefer the Kindle version for its color photo illustrations of the cats, but the paperback is nice in black

and white too. I am a Maine Coon cat breeder myself and I love learning about different philosophies and methods utilized by others. I was also pleased to be asked to contribute as one of the breed experts for the Bonus Chapters included in the back of the book.

A good book. Repetitive on some things but that just drives it further into your brain. I do wish it had more information on adopting older Maine Coons.

This book is comprehensive but fun to read, full of solid information from a very experienced breeder. I would recommend this book to other Maine Coon owners, and even to all cat owners, because most of the information would apply to all cats.

Good book for Maine Coon owners however the writing is a bit difficult to follow. The author will change topics after just two sentences then switch to another, then back. A good editor would have caught all that. Otherwise the info is good.

A very good informative book with a lot of insight on how to adopt from a cattery.

Get the eBook version. The photos in the print version are only black and white, which does not do the cats justice.

Very helpful - full of practical advice and gorgeous pictures

Great informative book. This was a very quick and easy book to read, and had a lot of good advice. It is well written, and enjoyable. It was almost as if the book were written with my Maine Coon cat in mind. I highly recommend it.
