Pretty much the same every year

Very well organized with lots of helpful info. It's easy to follow as you travel south but a challenge as you work your way north. I don't know how that can be changed though...

Buy one every year for boating. Great boos.

Maps are too small to be of any use.

Assumed it had all the Florida lakes and locks/ channels that connect the lakes. It's only salt water

Good deal and service.

Great book

good useful book
