Lisa Swerling and Ralph Lazar are famed illustrators, the authors of the New York Times bestseller *Me Without You*, and the creators of the internationally beloved brand Happiness Is ... They live in Marin County, California.

Simple and cute. Smaller than I expected. Gifted to my bestfriend. Reccomend you give it to someone you're close to and do a lot with because a lot of the things are things best friends would say and do together. Cute though!

I bought this for my pal who turns 60 this year. We have been friends for over 40 years. This book is just so sweet . I know she will love it.

Super cute! Good hardback book with weight to it. Has notes like "Friendship is..... pushing each other when times are hard". Beware though, some of the phrases involve alcohol use such as "Friendship is... making alcoholic drinks together"

Perfect birthday gift for a friend and cheaper than in store.

Different, totally different, but refreshing! How could I not rate it five stars? Mine, on a similar subject, will be published toward the end of 2016.

nice little book, easy quick to read

I loved this product it came in a orderly and moderately fast fashion. They were in great condition thank you.

Cute little book! I got this for a long term friend's birthday and she thought it was adorable!
