Customer Reviews

This book inspires teenagers to believe in themselves without being sappy or judgmental.

Awesome book

nice book

It is good for teenagers who go through a lot of different problems in their lives. Not good for people under the age of 13. They wouldn't completely understand the book but it is a good learning experience for people to also know how you feel/felt when you went through that. Very relaxing yet very suspenseful

love it great book for teens.

I bought this book for my 14 year old daughter she loves the book but I am not happy that it took 20 days to get here though

two thumbs up
