Synopsis

Comprehensive guide on definitions and assessments related to the Physical Therapy field.

Book Information

Series: Quickstudy: Academic Pamphlet: 6 pages Publisher: QuickStudy; 1 Lam Crds edition (December 10, 2007) Language: English ISBN-10: 1423203151 ISBN-13: 978-1423203155 Product Dimensions: 8.5 x 11 x 0.1 inches Shipping Weight: 2.4 ounces (View shipping rates and policies) Average Customer Review: 4.6 out of 5 stars 28 customer reviews Best Sellers Rank: #27,175 in Books (See Top 100 in Books) #9 in Books > Textbooks > Medicine & Health Sciences > Medicine > Clinical > Physical Medicine & Rehabilitation #13 in Books > Medical Books > Medicine > Internal Medicine > Physical Medicine & Rehabilitation #21 in Books > Textbooks > Medicine & Health Sciences > Allied Health Services > Emergency Medical Services

Customer Reviews

Great summary for a physical therapist, a handy cheat sheet.

This is a really nice reference guide! It has a lot of helpful reminders. It is coming in handy with my studying for my license. It is also nice to have at my clinical site. My CI and other therapist were jealous. It doesn't have EVERYTHING but if you are in physical therapy school or a physical therapist you would know that would be impossible anyway especially for it only being 6 pages.

A lot of information packed into an 8.5x11 sized laminated sheet! Information is useful as well! Great not just for PT students but would be handy for medical and nursing students as well!

Excellent quality and easy to read for the quick reference needs. I find these laminated charts especially useful when completing my notes and I want to recall a particular region, its components, and the correct spelling,

Easy to follow and has a lot of information in compact space. Great to keep on hand as a quick reference.

great info in a compact, durable trifold

Great product. It is a quick and easy reference.

it's all what i expected
