always good -

i have ordered an architecture calendar every year for about 9 years. the spaces are wide enough to write in, the pictures are beautiful, the paper is nice and it's a good size.

How to please an architect? Give him organization and beautiful buildings all in one! My hubby loves

this calendar! Inspiration and organization all in one!

I buy one every year for my husband

I purchase this calendar for someone in my family every year the photos are beautiful and there is more than enough room to plan all year long. I would highly recommend this.

I was not as impressed with this years selection of images compared to years past. Maybe 1 in 5 caught my eye
