Charles Haddon Spurgeon (1834-1892), the "Prince of Preachers," preached his first sermon at age sixteen. During his lifetime he preached to an estimated ten million people. He published over two thousand of his sermons, which compose the largest collection of work by a single author. Spurgeon founded and supported charitable outreaches, including educational institutions. He also founded a pastors' college and the famous Stockwell Orphanage.

I checked this out for Christmas presents for this year, and found that the combination is excellent. I can hardly wait to give them out this year! Two of the books included here I gave out several years ago, but I like the fact that they are so easily accessible by being all together. I have access to all of the Pulpit and MTP of Spurgeon on my Kindle. This book has really nice print size and is easy to read for those who do not have Kindle and can still read regular books. Spurgeon readers will really get a blessing out of this. For those who are not familiar with the great preacher's work, this is a wonderful sample and will cause you to want to get more!!

If you have not read any works of C H Spurgeon, perhaps now is the time. I knew he was great because he seems to be quoted or referenced by almost all men of God. I read a friend's copy and immediately knew I had to have my own. It is well documented with Biblical quotes which is very important to me.

Excellent ... great tool confirming God's Word; strategies to fight the unseen powers of darkness that surround us all!

This is such a wonderful collection of Spurgeon's writings, I love it.

Great addition to anyone's library who desires Truth.

Thought maybe this would be a deep and difficult read, but it is easy to read and I am really being blessed by Spurgeon's teachings.

Spurgeon is always a Great Book for My Library! Books are BEST!

Its Spurgeon! wonderful!
