Customer Reviews

If you are a Hag fan like me, you should have this book. It has over 50 of Ol' Hag's great songs. IMHO, he is one of the best singer-songwriters ever. He can play the health out of a Telecaster, too. If you play any country songs at all, most people have heard his songs and lots of his songs are fairly easy to play. If you are like me, it will be easier to play his songs than sing his songs because he has one heck of a natural voice that doesn't need modern day enhancements. Buy The New Merle Haggard Anthology and learn a few of his songs to impress your friends. stocks them and ships them faster than you can say "Twinkle, Twinkle Lucky Star."

Large collection, basic elements, no leads, solid material.

This is the best "Hag" book I've ever seen. All of my family's favorites are in it. What a great gift for my brother who sings and plays Merle as well as The original Merle did.

Very basic melody no guitar fills etc. Good for chords.

Got this for my Dad for christmas. He's so pleased with it.

Absolutely perfect, just what I wanted!!!

I find this book basically useless for my needs. I wanted a tab book so I could do a few of Merle's band's solos as well as have the lyrics and basic layouts. There is only lyrics, standard musical notation and chords called out. There are no leads or solos. Also there are no page previews attached to the product page which would have possibly shown me ahead of time that the book would not be useful for me. Weak.

very good
