Praise for Chloe the Kitten: "In a magical land populated by fairy animals, a kitten helps a lost baby mouse. . . . A light, gentle chapter book about helping others." â•Kirkus Reviews

Lily Small is the author of the Fairy Animals of Misty Wood series.

My Great Grand Daughter loves these books and once she read one and read the new one the animal she had previously read was in that book too. The only thing she didn't care for was one of the animals called their mom "MUM". I just told her they were written in the UK and when she comes to that word in the book she could just say MOM.

Darling book. Granddaughter enjoyed it.
