PERFECT love the beach & ocean picture. Can think happy things all year long.

Great little pocket calendar.

As advertised.

I like it cause you have room to write on it. Also has room on top if you want to write notes. Still

pocket size.

Awesome scenery!

Five stars

I was happy to find the next two years planner, as they are impossible to find locally this early. The hard cover is nice and will not need an extra plastic to help preserve. The beach scene is nice as well.

It's very well-constructed. Pretty strong. I have no doubt the pages will stay intact. The design is on the cover only, there are no designs inside. There is a lot of space for writing notes, and a huge note section in the back. Like 10 pages. It's great and I really like it.
